OBJECTIVE

Dedicated and experienced customer service professional with proven success managing a team. Seeking an opportunity to use my professional experience along with my technical aptitude to grow in the field of web development.

EXPERIENCE

SUPERVISOR

(Jun 2017 - Current)

Managing a program that provides personal courier services to VIP business customers for their banking needs. Duties: Management of program's staff, records, and accounts; creating datasheets detailing program efficiency; training employees and conducting performance reviews.

TELLER/COURIER

(Nov 2012 - Jun 2017)

Building relationships and delivering services to the customer developed my professionalism and relationship development skills, as well as my ability to learn new concepts on the job.

SOUND DESIGNER/ELECTRONICS

(Nov 2008 - Current)

Has taught me how to manage and plan large scale projects, troubleshoot complex problems (both concrete and abstract issues.) Experience building and tinkering with sound devices, both hardware and software.
